CHILDREN'S LEGACY FUND OVERVIEW

The Ma Mawi Wi Chi Itata Foundation was established in 1984, as a result of the dissemination of the Children's Aid Society. Parents who had children who were placed in care had their child tax benefit held in trust and when the Children's Aid Society was dissolved the Ma Mawi Wi Chi Itata received \$166,000.00. This was placed into a fund and the Children's Legacy was started.

The Children's Legacy Committee who are appointed by the Board of Directors of the Ma Mawi Wi Chi Itata Centre, take responsibility for the funds and have developed the following guidelines for the fund through the Ma Mawi Wi Chi Itata Foundation.

Application Process

There is a limit of one request per year, per child by any family, agency or organization. All requests for the funds made by family and/or individuals must be accompanied by a completed application.
