We serve families (parents, caregivers, children and youth) who:

- With courage and bravery seek out support, assistance and guidance during a time of need
- Reside in the Winnipeg North End
- Referred to, referred from, or accessed the Mobile Crisis Service
- Would like the support to strengthen their family bond

**SUPPORT

We support families in developing and carrying out the activities outlined in the Family Support Plan by:

- Building awareness of community support resources, guidance, and navigation to access the resources and services
- In-home or phone follow-up/s as per the Family Support Plan
- Encouraging capacity for self-care
- In-home support services (i.e. cooking, emergency child-care)
